

FORM 8

**PROVISIONAL CERTIFICATE OF LISTING OF CONTRACTOR
CERTIFICATE NUMBER: 2017:09**

On the basis of the information supplied in the Application for listing as a fire sprinkler system contractor, this organisation, as the nominated Sprinkler System Certifier, considers that the requirements of NZS4515:2009 clause 1.8 and section 113 of NZS 4541:2013 have been adequately met for the purposes described in that Standard.

Note: Provisional Listing is the process by which a contractor with limited experience may become fully listed. AON SSC will require additional inspections of various aspects of the contractors work to ensure that the provisions of the relevant Standards are being followed.

Registered Company Name: **HSM Installations Limited**
Physical address: 313 Hastings Street North Hastings 4122
Postal Address: 313 Hastings Street North Hastings 4122
Email: matt.stevenson@hsmgroup.co.nz
Scope of listing in accordance with Appendix C table C 1 of NZS 4541:2013:1,2,3 & 6 a,b,c, & h,

Key personnel: As per the attached schedule to this certificate. **Matt Stevenson**,
To have effect from: 27th March 2017

This PROVISIONAL certificate shall expire on: 27th March 2018. Unless withdrawn earlier, after 30 days' notice.

Note: Full Listing shall be awarded upon compliance to all requirements of the criteria and standards of competence, including a current AS/NZS ISO 9000 / 9001 certification and satisfactory records of performance over the previous twelve months. It is expected that completion of the AS/NZS ISO 9000 /9001 certification for a company Quality management system will be completed within the first twelve months of operation.
